

NOTICE

FIRE HYDRANT FLUSHING

TO BEGIN IN APRIL

The Brick Township Municipal Utilities Authority

will be flushing its distribution system beginning on or about April 17, 2017 and continuing through May 12, 2017. Distribution system flushing is a normal water system maintenance exercise and will help in our effort to continue to provide the best quality water to our customers.

Please note – During this time you may experience low water pressure and some discoloration of water. We apologize for any inconvenience this may cause.

During flushing Brick Utilities employees will be working along roadways.

If you are driving in areas where flushing is taking place, please drive cautiously for the safety of yourself and other employees. Thank you in advance for your cooperation and patience while we complete this important annual maintenance program.

If you have any questions please call Brick Utilities at
