

Construction of upgrades and improvements to The Brick Township Municipal Utilities Authority's water and sewer mains located within the rights-of-way Cartagena, Alhama, Cadiz, Valencia and Monterey in Baywood Section of Brick Township, Ocean County, New Jersey, loan amount of \$2,300,000.00 for water portion and \$4,500,000.00 for sewer portion were financed by the New Jersey Water Bank (NJWB). The NJWB is a State Revolving Fund program jointly administered by the New Jersey Department of Environmental Protection (DEP) and the New Jersey Infrastructure Bank (Infrastructure Bank) and uses a combination of funds provided by the United States Environmental Protection Agency, the DEP, and the Infrastructure Bank to provide very low interest loans to borrowers for environmental infrastructure projects.

This project will provide water quality benefits by ensuring that the water system's water supply and water quality are not interrupted or compromised for residents and businesses in the Baywood section of Brick Township's geographical region.

State Revolving Fund programs around the nation provide states and communities the resources necessary to maintain and improve the infrastructure protecting our valuable water resources nationwide.
