Brick Utilities Recognized by National Society of Professional Engineers – New Jersey

Brick Township - The Brick Township Municipal Utilities Authority (Brick Utilities) was recently recognized by the National Society of Professional Engineers (NSPE), New Jersey Chapter at their Annual Installation of Officers and Awards Reception. The Authority senior management staff, including Executive Director Chris Theodos were present to accept the award for *Government Professional Development*. NSPE considered the Authority worthy of this award

in recognition of their outstanding policies and dedication as it relates to the emphasis on professional development within the Authority. The Executive Director, Deputy Executive Director and Director of Water Quality are all licensed professional engineers, providing the highest level of expertise in engineering, water quality and public works. The Authority embraces a strong policy providing for continued educational opportunities, and additional platforms for professional growth of Authority personnel. To date the Authority has more than 40 employees certified at various water treatment and distribution licensing levels.

Brick Utilities provides drinking water to over 100,000 people in Brick Township, Point Pleasant, Pt. Pleasant Beach, Howell and Lakewood and sewage collection for 75,000 people. The Authority enjoys a reputation of being a leader in the municipal utilities industry and this can be directly attributed to their highly trained and dedicated professional management staff.
