Brick Township Municipal Utilities Authority
Ocean County, New Jersey
Undersized Water Main Replacement in
Cedarwood Park East & West
State Project No. 1506001-008

In accordance with procedures established to evaluate projects that have applied for assistance under the New Jersey Environmental Infrastructure Financing Program (EIFP), a Level 1 environmental review has been conducted on the proposed project which includes the replacement of existing 2" diameter galvanized steel water mains and 3" diameter cast iron water mains with approximately 18,500 lineal feet of 6" and 8" Class 52 ductile iron pipe, approximately 290 one inch polyethylene water service connections, approximately 290 water meter pits, approximately 20 fire hydrants, and associated paving and site restoration work.

The New Jersey Department of Environmental Protection has made a preliminary decision to assist this project under the EIFP. The proposed project costs are as follows:

Proposed Project Cost: \$6,550,000

Proposed Loan Amount: \$6,550,000

Upon written request, the planning documents and the Department's Environmental Decision Document will be available for public review at the Brick Township Municipal Utilities Authority located at 1551 NJ-88, Brick, NJ 08724.
